# Next-generation comfort, breathability and simplicity.

3M™ Secure Click™ Half Facepiece  
Reusable Respirator Platform

December 2021

[3M.ca/SecureClick](https://3M.ca/SecureClick)

We are Canadian health and safety experts who help protect workers in a changing world. We collaborate with our customers and use research-backed science to solve their safety concerns and help eliminate workplace injuries and illnesses. It's 3M science that helps make sure every worker gets home safely at the end of the day.

# 3M™ Secure Click™ Half Facepiece Reusable Respirator HF-800 Series

Designed with intuitive features, the 3M™ Secure Click™ Half Facepiece Reusable Respirator HF-800 Series helps protect workers from particulates and a wide variety of gases and vapours when used with approved 3M™ Secure Click™ Filters and Cartridges.

# Hear it.

3M™ Secure Click™ connection helps provide confidence that filters/cartridges are installed properly. Simply align the connections and push into place.

# Check it.

Help increase worker confidence that the respirator is being worn properly with the easy, one-touch user seal check.

# Feel it.

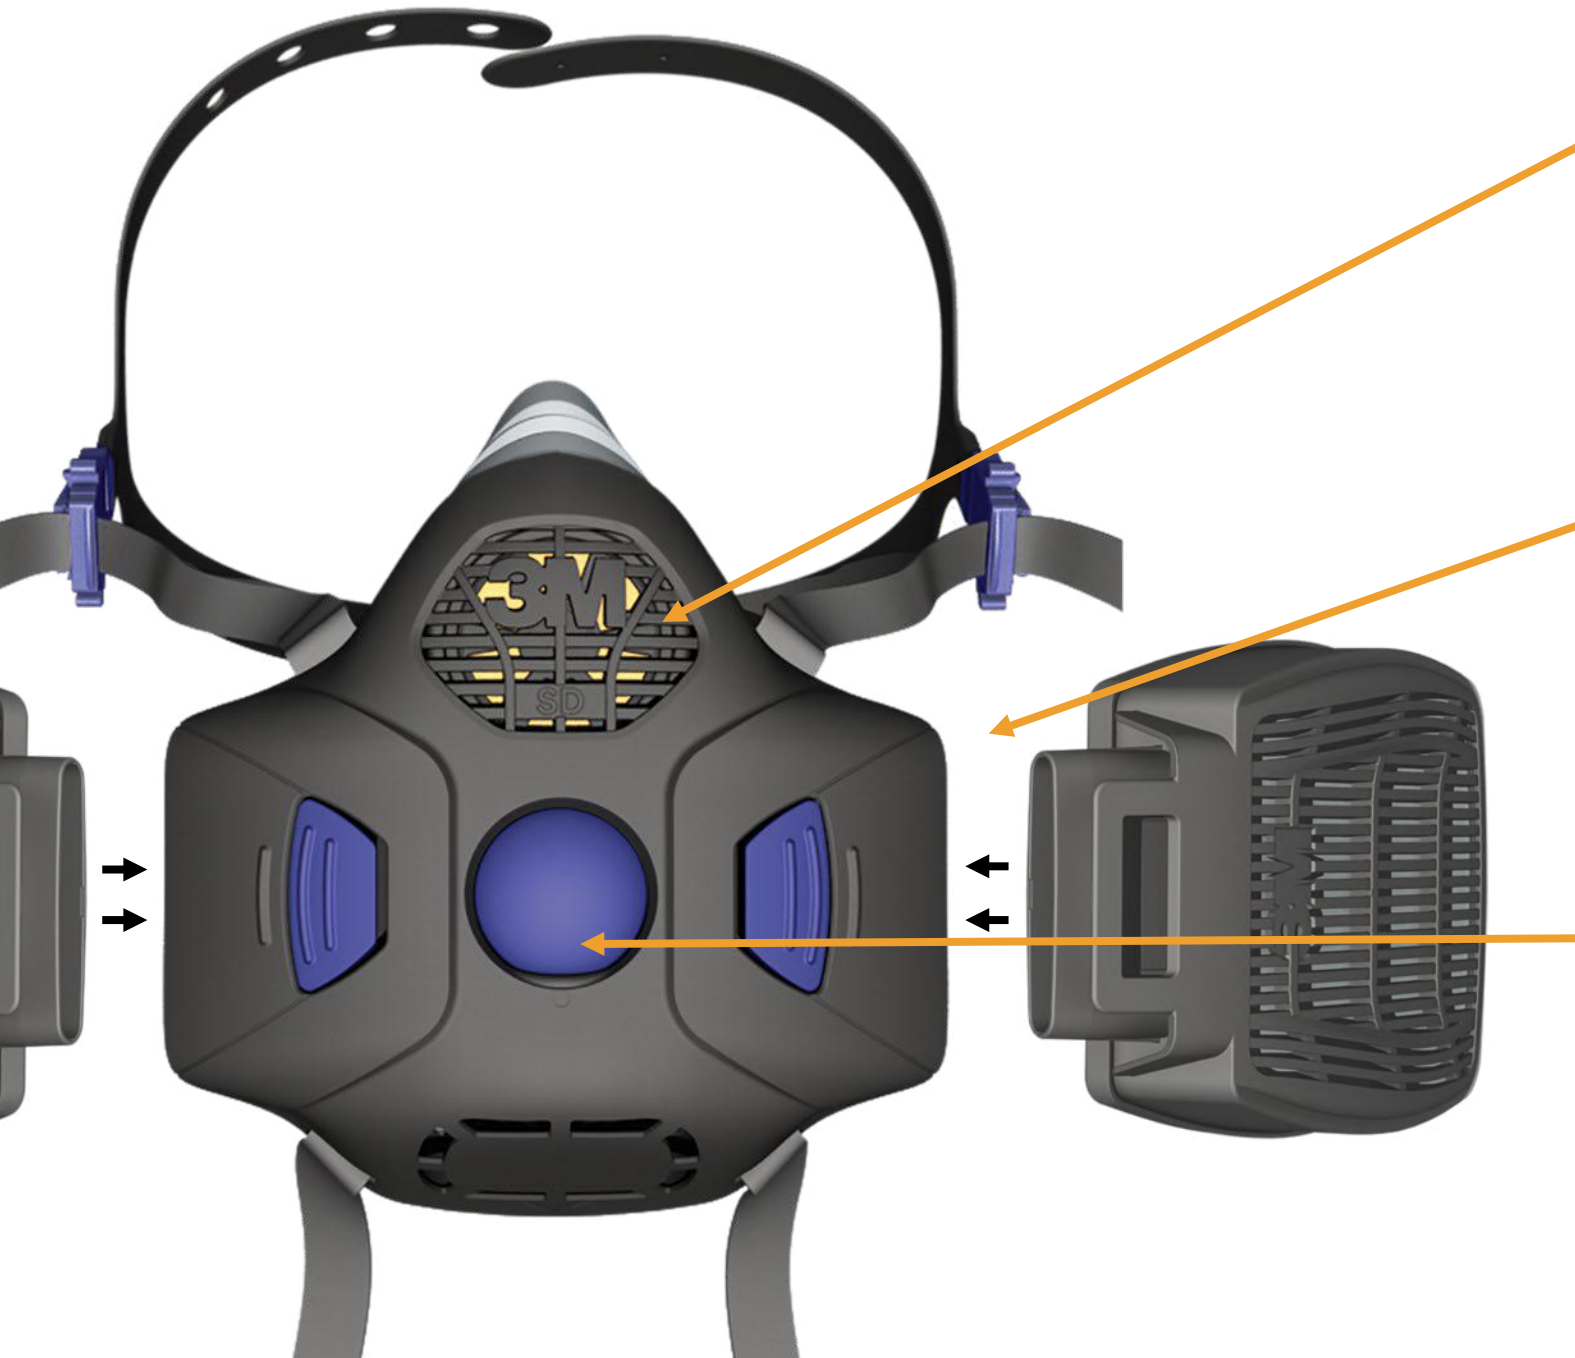

Experience the greater breathability and comfort provided by the world's first quad-flow gas and vapour filter/combination filter system.

# Say it.

Speaking diaphragm –  
designed to help provide easier  
communication while working.

**Speaking Diaphragm**  
Designed to help provide easier communication while working.

**Unique Filter & Cartridge Connection**  
Snaps into place for intuitive assembly.

**Push Button Seal Check**  
Easy way to conduct required (negative pressure) seal check prior to each use.

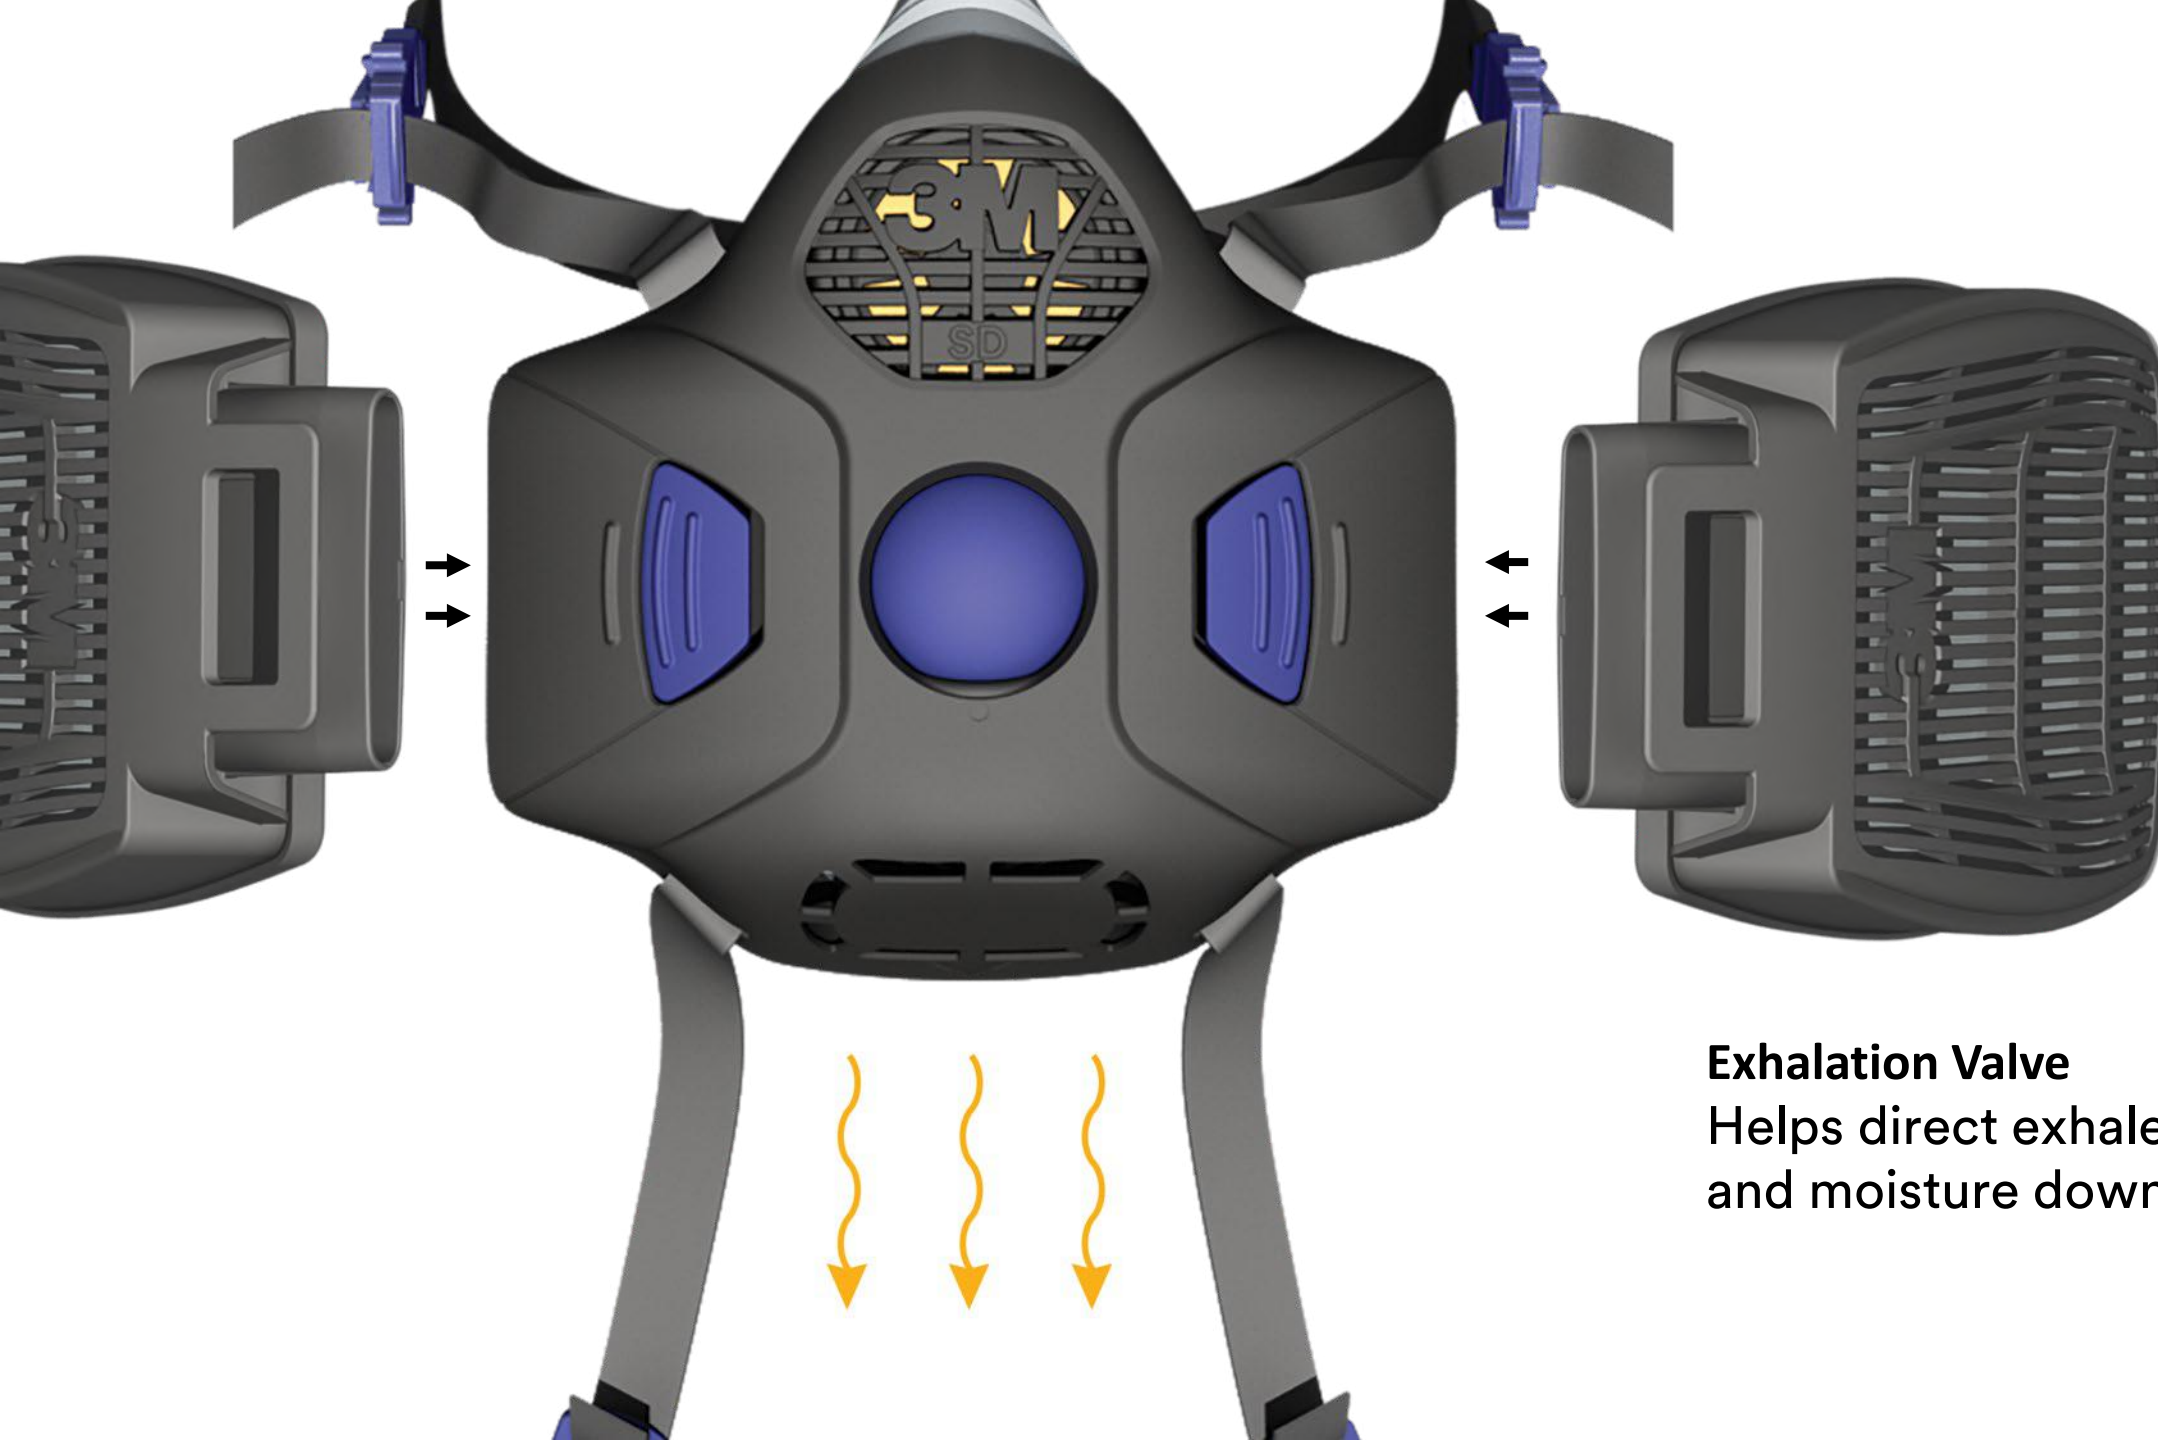

**Silicone Flex-Joint Face Seal**  
Helps provide a softer feel for more comfort on the wearer's face.

**Easy-Adjust Buckle**  
Simple two-way adjustability: pull straps to tighten, squeeze wings to loosen.

**Better Breathability**  
New dual-flow cartridge design allows air to be pulled through both sides of the cartridge for easier breathing.

**Exhalation Valve**  
Helps direct exhaled breath  
and moisture downward.
